Iron Horse Mic Stands

Also known as "The Horse", this new mic stand has a new "U" shape design that makes it stackable and easier for storage! The base is a cast iron base, weighing at 8 lbs. and complete with rubber footing at the bottom to ensure it is not easily knocked over. Perfect for choirs, schools, or bands with multiple vocalists!

SM-66

- Height from 36" - 62"

- Color: Black

Overhead Mic Stands

SM-70

- Height from 34" - 65.5"
- Weight: 3.5 lbs.
- Color: Black

Peak New 2018

LED Music Stand Light

Carry-on Music Stand

The Carry On Music Stand is a great choice for the oft-traveling musician. The stand, when folded, is only 18" tall, making it small enough to fit in most of the carry-on luggage. The metal frame makes it durable enough to withstand the stress of travel.

Peak New 2018

Bryan Baker-Flutist

Greg Byers-Cellist

Terry Lee Hale-Singer

Miguel Partida-Guitarist

Spencer Hinkle-Bassist

Gina Luciani-Flutist

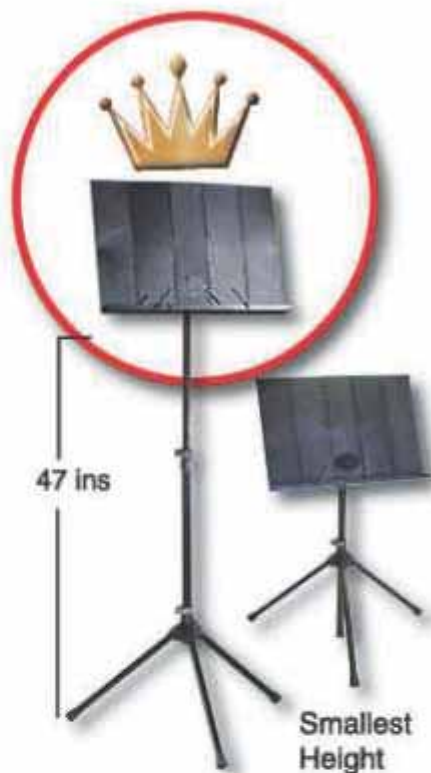

Angel Mrraz-Vocalist

Our music stands are innovative in design, impressive in ability, and striking in function. Each model is designed to collapse down into a much smaller form to be easily portable. All our stands can handle a lot of weight even with all the extra moving parts.

Collapsible Music Stands

Peak Music Stand Storage Options

Not only can a single stand be stored and transported with ease, our detachable desk makes it easy to move many stands at once.

Two 34"Lx20"Wx15"H containers can hold 18 stands with the desks and bodies in separate containers. A container with those dimensions can hold 12 stands with both the desk and the body. These containers fit easily in any trunk or even most back seats.
